

REMARKS/ARGUMENTS

Reconsideration and allowance of the present application based on the following remarks are respectfully requested. This supplementary amendment corrects the format of the claims presented with the Response filed January 9, 2006, and provides a complete claim listing as suggested by the Examiner.

The independent claims (1 and 32) were amended January 9, 2006, in part, to remove the limitation with respect to the "mixture of a syrup . . ." and should be understood to encompass acrylic compositions both cured and uncured. The dependent claims (7-9 and 37-41) were amended January 9, 2006 to have "about" added prior to the relevant numerical amounts and sizes.

Therefore, all objections and rejections having been addressed, it is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Should any issues remain unresolved, the Examiner is encouraged to contact the undersigned attorney for Applicants at the telephone number indicated below in order to expeditiously resolve any remaining issues.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
